28,5 to 30	10	XL
	12	XXL
THICK LINER		
Narrow foot		
Medium foot		
	THIN LINER	
	Medium+ foot	
	Wide foot	

2. Fold the paper following the bold lines and place the fold against the wall.
3. Place your front or rear foot on it, it must sit flat with the heel against the wall, slightly bend your knee (as you were on your ski).
4. Draw a mark in front of your longest toe and get your Mondo point size!

*To make things easier and more precise, ask a friend for help.*
